ACCREDITATION VERIFICATION FEEDBACK

This is to confirm that Skills Development Provider **ADP Electrical & Training ENER-AlgPc131028** accredited with the Energy and Water Sector Education and Training Authority since 2013/10/25.

On the 05th July 2019, a site audit was conducted for Re-accreditation and was recommended pending the approval of Quality Assurance and Compliance Committee which seat quarterly for Accreditation.

Unit Standards recommended for Re-accreditation

Qualification ID	Qualification Title
258966	Test and inspect a single phase domestic installation
259197	Test and inspect a three phase industrial/commercial installation
13683	Issue certificate of compliance for a domestic/commercial/industrial installation
113898	Complete certificate of compliance for a single phase domestic installation

There was no break in the accreditation status during this period.

For more queries, you can contact the EWSETA Quality Assurance and Compliance team.

Yours Faithfully

Felicity Mabanga
Acting QA and Compliance Manager
